ECO-u261

Economical Compact Universal Power Bank with Safety Protection

Don't want to be disconnected from the world or missing important phone calls because your smartphone is low on power? Make sure to carry the brand new 2600mAh power bank from Genius wherever you go. The ECO-u261 is a universal power bank that gives you extra power when you need it the most to keep your smart devices working properly.

This stylish portable charger is available in a wide range of distinct colors, is reliable and simple to operate, and is lightweight for travel. Place it in your pocket when you're on the go, just in case you need to recharge your smartphone.

ECO-u261 has a 2600mAh rechargeable battery and is super light at 63.7g; it has a single USB port with a stable 1 amp current to power your device in a flash. It also has a one year limited warranty and US$ ten million worldwide product liability insurance.
